

PARENT/GUARDIAN POWERSCHOOL PORTAL AGREEMENT

By accessing Richmond PowerSchool Parent Portal by using your username and password, you agree to the following terms and conditions of the District PowerSchool Parent Portal:

1. Your username and password are confidential. A best practice is to NOT share your parent log-in information with your child. Your child has access to their information using their own log-in credentials.
2. Information and data you view initiates a conversation with your child first, before contacting the teacher or other school personnel. The communication chain is Parent Portal...Student...Teacher then Administration.
3. It is your responsibility to determine which parents and/or guardians are able to access records. By logging into the portal, you acknowledge that you are the duly authorized person to view the site. Users will not attempt to gain access to an unauthorized area. This includes attempting to log in through another person's account or access another person's files. Inappropriate use will result in cancellation of user's privilege.
4. In the event parents or guardians identify a security problem with their Parent Portal, you must notify the Main Office immediately.
5. Parents/Guardians who are identified as a security risk to the Parent Portal or any other Richmond Community Schools computer/network will be denied access to the portal.
6. Anyone found violating data privacy laws will be subject to legal prosecution to the fullest extent possible.
7. Attendance concerns begin first with a conversation with your child, then communication with the Main Office. Attendance is taken each period at Richmond High School and Richmond Middle School and twice daily at Will L. Lee Elementary School.
8. Grade and/or assignment concerns begin first with a conversation with your child, and then with the teacher via email, telephone or in person at an agreeable time.
9. Grades will be posted on the portal by the teachers. It is expected that by 8:00am on Tuesday, the posted grades reflect performance from the previous weeks. For larger writing assignments or projects, the time may be extended.
10. Richmond Community Schools reserves the right to monitor, inspect, copy, review, and store at any time and without prior notice, any and all usage of the PowerSchool system and any and all information transmitted or received in conjunction with such usage, all such information files shall be and remain the property of Richmond Community Schools. No user shall have any expectation of privacy regarding such materials.

By accessing the Richmond PowerSchool Parent Portal using my username and password and entering the site, releases Richmond Community Schools from any and all liability for damages arising out of the unauthorized access of this account. I also agree, as a parent/guardian, to have read and abide by this policy and understand access is designed for the support of my child's education.
